A pregnant and/or parenting student shall be encouraged to continue with an educational program and to participate in all school-sponsored activities unless physically unable. The district shall ensure that pregnant and parenting students receive individualized programs or special services as temporarily necessitated by their condition and are accommodated on a long-term basis as needed as parenting students.

Neither pregnancy nor parenting constitute an exemption from Oregon compulsory attendance law.

No pregnant or parenting student shall be excluded from the public schools on the basis of pregnancy or parenthood.

The superintendent will develop administrative regulations as necessary to ensure compliance with the provisions of state and federal law and this policy.
